

Committee on PUBLIC HEALTH
Testimony Against Raised H.B. No. 6949 AN ACT CONCERNING CHILDHOOD
VACCINATIONS

Submitted March 20, 2015

Senator Terry Gerratana, Representative Matt Ritter and members of the Public Health Committee,

My name is Jaime Hoffman. I am a concerned mother and Connecticut resident and I am writing testimony against HB 6949.

I strongly oppose HB 6949 because it violates my First Amendment right to free exercise of my religious beliefs. Parents should not be required to sign an incriminating statement in order to claim their legal right to a religious exemption.

Please vote against this bill.

Thank you for your time and service,
Jaime Hoffman
